✉ henan.ar786@gmail.com

Highly skilled UI/UX Designer, with a **Bachelor's Degree in Architecture** seeking to use proven skills in UI prototyping to enhance user experience. Skilled in Sketch and UX Research. Have completed several projects, including design of a chopper-booking web app, song-quiz game, and worked industry famous brands like **First Abu Dhabi Bank, ADNOC, HSBC Saudi, and Dubai Sports City** to name a few.

WORK EXPERIENCE

- UI/ UX DESIGNER** Jan 2020 — Present
Mirum Digital Agency
 - Partner with the product team to identify product features and functionality related to business objectives.
 - Collaborate with UX team to create interface designs and improve upon the experience flow where possible
 - Ideation and creation of UX design deliverables to provide a seamless user experience based on customer requirements: sitemaps, user flows, wire frames (lo-fi and hi-fi) and prototypes.
 - Production of UI design deliverables to build memorable interactive experiences for users: adaptive & responsive designs for mobile and desktop, creation of UI kits, UI component libraries, style guides and specification guidelines for developers.
 - Develop graphics, illustrations, iconography and layouts for e-commerce newsletters and social media platforms.
 - Maintain and generate asset libraries and ensuring they are based on optimal web preferences
 - Present design deliverables to the client in an informative manner and collaborate with them to finalize the designs
 - Collaborate with developers to ensure implementation is as per designs and provide support for design QA
- FIRST ABU DHABI BANK** www.bankfab.com
Creation of the unified design system, redesigning web pages based on analytics, and doing quality assurance reports for other FAB portals and products based on the UDS.
- VUSE VAPE** www.vuse.com/ae
Design weekly newsletters and banners for introduction of flavors and devices, and designing new pages for the website.
- DUBAI FIRST** www.dubaifirst.com/en-ae/
Redesigned the website featuring the cashback credit card.
- HSBC SAUDI (SABB)**
Enhancements of the SABB app user flows based on research and customer feedback. Maintenance of the app design, and creation of new journeys and screens to cater to new business requirements.
- 3ICH LOUBNAN**
Gamification design for a Lebanese lifestyle app to earn reward points which can be redeemed for discounts and offers at known brands.
- ALDAR PROPERTIES** www.aldar.com/en
Created the UDS based on atomic design system and iconography for the website.
- SAKANI — Ministry Of Saudi Housing** Created the UDS for the website.

- JUNIOR UI/ UX DESIGNER** Sep 2018 - Dec 2019
Omnia Digital Agency
 - Developed an informed understanding of project needs by performing user research, conducting stakeholder interviews, completing competitive research and benchmarking
 - Collaborated with UX architects on wireframes, information architecture, and dynamic interactions
 - Developed graphics, illustrations, iconography and interactive mockups through InVision
 - Created adaptive mobile designs and UI style guides based on approved desktop designs
 - Sourced and maintained asset libraries and resized images based on optimal web preferences for the quickest load time
 - Consolidation of RFP decks and collaboration with various internal teams to finalize proposals
